The screenshot shows the LG Home Week main page. At the top, there's a large banner with the text "가전에서 홈스타일까지" (From appliances to home style) and "LG HOME WEEK" with the dates "11.17 - 12.8". Below the banner is a navigation menu with various icons and text labels. A red dashed box highlights the "package recommendation" icon (a white envelope with a checkmark) in the middle of the menu. A red arrow points from this highlighted icon to a callout box labeled "1-1. 가전패키지추천 > 안내 화면". To the right of the main page, there's a separate image of a white envelope icon with the text "패키지 추천" below it.
